

## Canada Roadshow

Coming September 2014

GeoVision is coming to Canada! We welcome user of all experience levels to join us at one of the 3 locations (Ottawa, Toronto, or Montreal) for an information-intensive one-day training. Spots are limited so make your reservation today and be a part of this learning experience with trained GeoVision instructors. This event is free of charge, reservation required for admission.

\*To register, please complete this [form](#)

\*\*Cancellation or no-shows without a 24hour advanced notice will result in disqualification from future trainings
