

INTRODUCING THE SIGNATURE SERIES™ DEADBOLT WITH HOME CONNECT™ TECHNOLOGY

Signature Series

A new, smarter way to discreetly connect to your home. With a Signature Series™ Deadbolt with Home Connect, you can access your lock from anywhere. Never worry about forgetting to lock your door again.

Be Prepared For Life's Unplanned Moments

No matter where you are - work, vacation, or on the road, if something goes wrong in your home, you can remotely provide temporary access to those who need it.

Remote Locking & Unlocking

Control your lock from anywhere on your smart phone, tablet, or Internet connected device.

Features

- Motorized deadbolt — enables true remote locking and unlocking
- Receive notifications when the door is locked/unlocked
- Lock and unlock doors from anywhere

Expanding your security system solution with a Signature Series Deadbolt with Home Connect technology will allow the lock to communicate wirelessly to security and home automation systems via Z-Wave.
