

# Common Door Systems

Parts List by Product Category on Reverse Side

1

## The Electric Strike Version

Components:

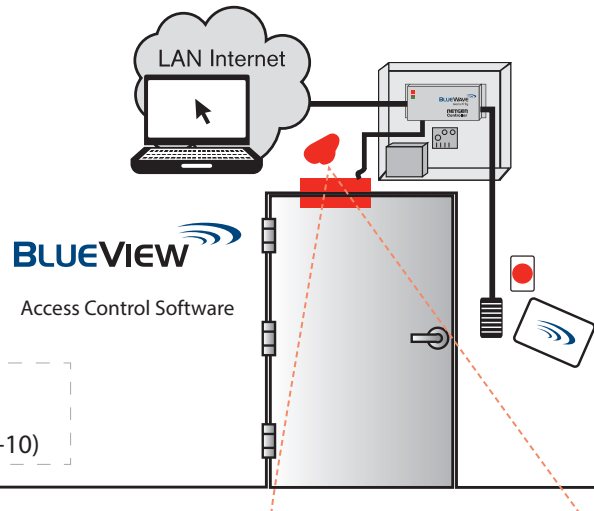

- ☒ Door Strike (Part# ES-C478)
- ☒ Controller (Part# NG1-E-DK-PS)
- ☒ Credential Reader (Part# PRX MINI-MM)
- ☒ BlueView Software (Part# BVSTRD or BVPRO or BVENT)
- ☒ Credential Cards/FOBs (Part# 26B-CLMS-20 or 26B-FOB-10)

2

## The Electromagnetic (Mag) Lock Version

Components:

- ☒ Mag Lock (Part# EM1200)
- ☒ REX Motion Sensor (Part# REX MOTMIC)
- ☒ REX Touch Switch (Part# REX-TS-SG or REX-TS-NS)
- ☒ Controller (Part# NG1-E-DK-PS)
- ☒ Credential Reader (Part# PRX MINI-MM)
- ☒ BlueView Software (Part# BVSTRD or BVPRO or BVENT)
- ☒ Credential Cards/FOBs (Part# 26B-CLMS-20 or 26B-FOB-10)

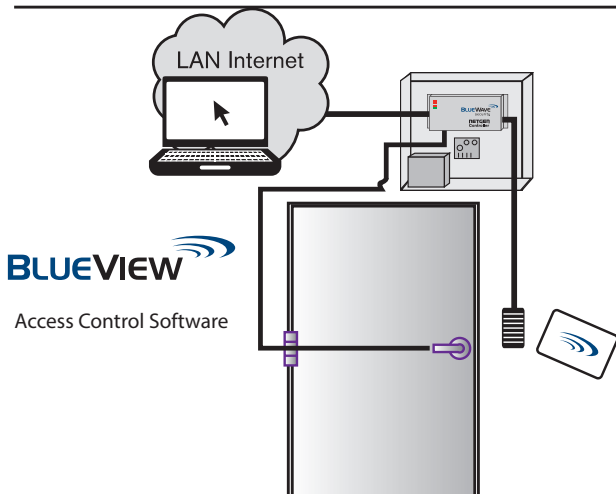

3

## The Electrified Cylindrical Lock Version

Components:

- ☒ Cylindrical Lockset/Fail Secure (Part# EL-C80EU626R)
- ☒ Electrified Hinge (Part# EH-455420)
- ☒ Controller (Part# NG1-E-DK-PS)
- ☒ Credential Reader (Part# PRX-MINI-MM)
- ☒ BlueView Software (Part# BVSTRD or BVPRO or BVENT)
- ☒ Credential Cards/FOBs (Part# 26B-CLMS-20 or 26B-FOB-10)

## Controllers

| Part Number | Product Description                                  |
|-------------|------------------------------------------------------|
| NG1-E-BO    | NetGen1 Door Ethernet Controller-ULLISTED-Board Only |

## Controller (Door Kits)

|              |                                                                                       |
|--------------|---------------------------------------------------------------------------------------|
| NG1-E-DK-BO  | 1 Door Kit NetGen Ethernet Controller (NG1-E-ULLISTED) Endorsement & Cam lock         |
| NG1-E-DK-POE | 1 Door Kit Ethernet W/ POE (NG1-E-ULLISTED) POE injector/splitter, Enclosure, Lock)   |
| NG1-E-DK-PS  | 1 Door Kit Ethernet W/ Power supply (NG1-E-ULLISTED) PS, xfmr, Enclosure, Batt, Lock) |

## BlueView Software

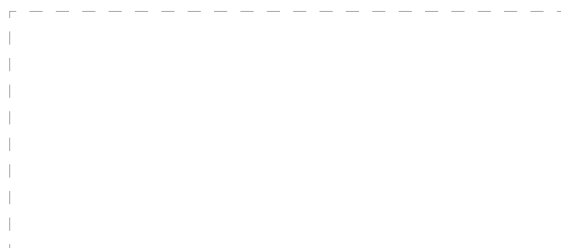

|          |                                                                                                         |
|----------|---------------------------------------------------------------------------------------------------------|
| BVSTRD   | BlueView Standard Software* (w/ 5 Door Licenses and Web Pages) Software Preloaded to FREE Laptop**      |
| BV5      | BlueView Software (5 Door License)***                                                                   |
| BVPRO    | BlueView Professional Software* (w/ 10 Door Licenses and Web Pages) Software Preloaded to FREE Laptop** |
| BV10     | BlueView Software (10 Door License)***                                                                  |
| BVENT    | BlueView Enterprise Software* (Custom Built by Factory for End User)                                    |
| BVPRO-AD | BlueView ACTIVE DIRECTORY Module*                                                                       |
| BVPRO-VM | BlueView VIDEO Module*                                                                                  |

\*See Software Matrix for details // \*\*BlueWave does not provide technical support for laptop // \*\*\*Door License packs sold (Qty: 5-Standard or Professional) (Qty: 10-Professional only)

## Credential Reader

|                |                                                                 |
|----------------|-----------------------------------------------------------------|
| KP08-MM-VR     | Keypad 8-bit - Mullion Mount - Vandal Resistant                 |
| KP08-SG-VR     | Keypad 8-bit - Single Gang - Vandal Resistant                   |
| KP26-SG-VR     | Keypad 26-bit - Single Gang - Vandal Resistant                  |
| KP08-MM        | Keypad - Backlit Blue 8bit keypad - Mullion Mount               |
| KP26-MM        | Keypad - Backlit Blue 26bit keypad - Mullion Mount              |
| PRX-SG         | Prox - 125kHz - Single Gang                                     |
| PRX-SG-VR      | Prox - 125kHz - Single Gang - Vandal Resistant                  |
| PRX-MM-VR      | Prox - 125kHz - Mullion Mount - Vandal Resistant                |
| PRX-KP26-SG    | Prox - 125kHz / Keypad Combo 26bit                              |
| PRX-KP08-SG-VR | Prox - 125kHz / Keypad Combo 8bit - Vandal Resistant            |
| PRX-KP26-SG-VR | Prox - 125kHz / Keypad Combo 26bit - Vandal Resistant           |
| PRX-KP26-MM    | Prox - 125kHz - Backlit Blue Combo 26bit keypad - Mullion Mount |
| PRX-KP08-MM    | Prox - 125kHz - Backlit Blue - Mullion Mount                    |
| PRX-MM         | Prox - 125kHz - Backlit Blue - Mullion Mount                    |
| PRX-MINI-MM    | Prox MINI - 125kHz - Mullion Mount and Spacer                   |

## Locking Devices

| Part Number          | Product Description                                                                                         |
|----------------------|-------------------------------------------------------------------------------------------------------------|
| ED-SAMLRK36          | Exit Device Motorized Latch Ret. Kit (SARG) 36" 24VDC/1A                                                    |
| ED-VDMLRK36          | Exit Device Motorized Latch Ret. Kit (VDUP) 36" 24VDC/1A                                                    |
| EH-455420            | Elechinge 4.5"x4.5" 5K Nuckle 4 conductor 20 gauge 4' leads                                                 |
| EL-C80EU-L6-626R     | Electrified Cylindrical Lockset, Storeroom function, Fail Secure, 626 finish, REX Sensor, 12 or 24vdc/150mA |
| EL-C80EL-L6-626R     | Electrified Cylindrical Lockset, Storeroom function, Fail Safe, 626 finish, REX Sensor, 12 or 24vdc/150mA   |
| EL-ML80EU-626R       | Electrified Mortise Lockset, Fail Safe/Secure, Chassis only, 626 finish, with REX 12 or 24vdc/150mA         |
| EL-ML80EU-L6-626R    | Electrified Mortise Lockset, Fail Safe/Secure, with Trim, 626 finish, with REX 12 or 24vdc/150mA            |
| EL-ML80EU-L6-DB-626R | Electrified Mortise Lockset, Fail Safe/Secure, with Trim, Deadbolt, 626 finish, with REX 12 or 24vdc/150mA  |
| EL-CL1               | Electrified Cabinet Lock, 12/24VDC, door and lock status sensor                                             |
| EM-80                | Maglock - Mini 80LB - Surface Mount                                                                         |
| EM-300               | Maglock - 300LB                                                                                             |
| EM-600               | Maglock - 600LB Single Door                                                                                 |
| EM-600-D             | Maglock - 600LB Double Door                                                                                 |
| EM-600CBO            | Maglock - 600LB - Circuit Board Only                                                                        |
| EM-1200              | Maglock - 1200LB Single Door                                                                                |
| EM-1200-D            | Maglock - 1200LB Double Door                                                                                |
| EM-1200CBO           | Maglock - 1200LB - Circuit Board Only                                                                       |
| EM-AP600             | EM600 Armature Plate Housing                                                                                |
| EM-AP1200            | EM1200 Armature Plate Housing                                                                               |
| EM-BR600             | EM600 L&Z Bracket                                                                                           |
| EM-BR1200            | EM1200 L&Z Bracket                                                                                          |
| EM-UB1200            | EM1200 U Bracket Glass Holder                                                                               |
| EM-UB600             | EM600 U Bracket Glass Holder                                                                                |
| ES-938-Rim-LB        | Electric Strike - Rim Mounted, Latch Bolt Monitor                                                           |
| ES-938-Rim           | Electric Strike - Rim Mounted                                                                               |
| ES-C478              | Electric Strike - Multifunction Cylindrical Lock                                                            |

## REX Sensors

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| REX-DSB-36-AL | Dual micro-switch bar - 36" AL                                        |
| REX-KEY-MA    | Key switch w/ Pigtailed, Maintained single gang                       |
| REX-KEY-MO    | Key switch w/ Pigtailed, Momentary single gang                        |
| REX-MOTMIC    | Motion Microwave sensors                                              |
| REX-PTE-SG    | Push exit button - large - single gang                                |
| REX-PTE-IL-SG | Push exit button - small - illuminated 125mm pigtailed - single gang  |
| REX-PTE-IL-NS | Push exit button - small - illuminated 125mm pigtailed - narrow stile |
| REX-TS-SG     | Touch sensitive switch - single gang                                  |
| REX-TS-NS     | Touch sensitive switch - narrow stile                                 |

## Accessories

|             |                                              |
|-------------|----------------------------------------------|
| 26B-CLMS-20 | 26bit Wiegand Standard Prox Cards (20 Pack)  |
| 26B-ISO-20  | 26bit Wiegand ISO Photo Ready Card (20 Pack) |
| 26B-FOB-10  | 26bit Wiegand Prox Fob (10 Pack)             |
| ACPTL       | 8' AC Line Cord with pigtail connects        |
| CAM-108     | Cam Lock                                     |
| DC-CON      | Concealed Door Contact                       |
| DL-AE       | Door loops - alloy ends                      |
| DL-PE       | Door loops - standard - plastic ends         |
| INS108B     | 11.25"x11.25"x3.5" Instrument Box            |
