## ***Product Description***

---

### **WSP-606CNB**

SONY Super HAD CCD 480TVL PTZ

220X ZOOM DAY&NIGHT

360' ENDLESS ROTATION / 180' AUTO FLIP HEATER&BLOWER IP66 AC 24V ADAPTER & WALL MOUNT

#### **220x Zoom Magnification**

22x optical zoom lens combined with the 10x digital zooming function provides a max. magnification of 220x. Users can even catch the smallest image and enlarge it to identify the most minute detail.

#### **360' Quick Endless Rotation**

The 360' full pan function moves through a max. 350'/sec enabling you to quickly pinpoint the spot you want to watch. Tilt speed provides through a max. 250'/sec on preset.

#### **Built-in Fan & Heater**

Outdoor housing is equipped with fan and heater as a thermostat and protecting the dome from a wide range of outside temperatures. Fan is operated over 113°F for reducing heat and heater is operated below 50 °F for preventing ice from forming on the outside bubble.

#### **IP66 perfect water-resistant**

Outdoor speed dome is certificated IP66.

#### **Accessories**

Wall Mount Bracket, AC 24V Power Adaptor

Size	6 inch
CCD	1/4" Color CCD
Horizontal Scanning Range	360'
Horizontal Scanning Speed	0-100' /s
Vertical Scanning Range	0' ~ 90'
Vertical Scanning Speed	0 -40' /s
Scanning Limitation	Horizontal adjustable
TV format	PAL format, 1/4" color CCD
Resolution	480 TVL
Lowest Luminous	0.02 LUX
Built-in Lens	22 times optical zooming lens (3.9 ~ 85.8mm)
Digital Zooming	10 times
Zooming Mode	AUTO
Presetting Position	64
Decoder	Have
Cover material	ABS plastic
Input Voltage	PAN: 24 VAC
Wattage	PAN: 5W/Camera: 4W
Working Temperature	32 'F ~ 122 'F (In-Door) -40 'F ~ -58 'F (Out-Door)
