

37HDARM product information sheet

Product Specifications

Fits most: 23" - 42" flat panels

Supports up to: 80 lbs (36.3 kg)

Tilt: -5° to +15°

Mounting profile: 5.3" (135mm)

Maximum extension: 24.0" (610mm)

VESA Compliant: 100x100, 100x200, 200x200

Mounting: Single-stud

Color: Black and Silver

Product Benefits

- Tilt, pan and swivel for maximum viewing flexibility
- Innovative 4-link tilting mechanism for smooth movement
- I-beam arm design for added strength
- Die-cast aluminum construction for maximum support in a lightweight mount
- Lift n' Lock™ for quick installation
- Double-capacity cable management system guides wires
- Built-in screen leveling
- Rotate for portrait or landscape orientation
- Locking system secures panel to mount
- Includes installation template and complete Grade 5 hardware kit

A double-capacity cable management system is seamlessly integrated into the 37HDARM, allowing for twice as many cables to be neatly tucked away within the cantilever's housing
