Axis VT

The Core Collection is OmniMount's tried and true furniture collection made up of several different series of steel and glass A/V furniture. With clean lines, black glass and various high-gloss finishes, these pieces blend seamlessly into any environment. The Axis Series makes organizing your A/V equipment and displaying your TV simple and classy with multiple shelves for components, transparent glass to allow for remote control operation and many other features. The Axis VT is a sleek and stylish video table for displaying flat panel TVs while providing ample media and component storage room.

Black glass door allows for remote control operation while keeping your components hidden.

The Axis Series

Axis AT

Axis VT
