

BCP-1T

Plenum Rated Balanced Mono Audio or Control Cable

Kramer's BCP-1T is a high-quality, plenum rated, shielded pair style cable that routes balanced mono or unbalanced stereo audio signals in professional AV systems. It is also ideal for any application where a low capacitance 22 gauge shielded pair is appropriate including control panels for Sierra Video matrix switchers.

FEATURES

- **Plenum Rated** - The low smoke and fire-resistant properties of plenum rated cable allow it to reside in air return spaces of ceiling, floors, and walls, often saving the cost of installing conduit. The drain wire is in continuous contact with the aluminum Mylar foil.
- **Easy Stripping** - Exceptionally easy to strip because the foil shield is bonded to the inside of the jacket.
- **Varied Selection of Lengths** - Available in reels of 75/150/300m (246/492/984ft).

Model	Description	Length Meter	
BCP-1T-250	1 Shielded Pair + Drain Wire Mono/Serial Plenum Bulk Cable	250'	76.2M
BCP-1T-500	1 Shielded Pair + Drain Wire Mono/Serial Plenum Bulk Cable	500'	152.4M
BCP-1T-1000	1 Shielded Pair + Drain Wire Mono/Serial Plenum Bulk Cable	1000'	304.8M
