Caster/Inner Platform Bases

EIA/TIA Compliant

Caster Base

- Available in commercial grade or for fine floors
- Durable black textured powdercoat finish
- Commercial grade caster base is UL listed in Canada and the U.S. (except Slim 5 models)
- Accommodates MRK, WRK, ERK and Slim 5 Series enclosures

CBS-WRK-32

Inner Platform Base

- Fits inside rack
- Mounts flush with bottom of rackspace
- Ideal for supporting heavy electrical equipment and mounting electrical boxes
- Accommodates MRK and WRK Series enclosures

BS-WRK-32

Architects' and Engineers' Specifications

CBS Commercial Grade Caster Base

Commercial grade caster base shall be Middle Atlantic Products model # CBS-___-___ to accommodate ___ Series ___" depth racks (refer to chart). Caster base shall be constructed of 11-gauge steel. Caster base shall be ___" H x ___" W x ___" D and have a weight capacity of ___ lbs. (refer to chart). Caster base shall have one knockout in the center of the base for cable pass-through measuring ___" W x ___" D (refer to chart). Caster base shall raise total rack height ___" (refer to chart). Caster base shall be finished in a durable textured black powder coat. Caster base shall be UL listed in the U.S. and Canada (except Slim 5 models). Caster base shall be warranted to be free from defects in material or workmanship under normal use and conditions for a period of 7 years.

CBS Fine Floor Caster Base

Fine floor caster base shall be Middle Atlantic Products model # CBS-___-___ R to accommodate ___ Series ___" depth racks (refer to chart). Caster base shall be constructed of 11-gauge steel. Caster base shall be ___" H x ___" W x ___" D and have a weight capacity of ___ lbs. (refer to chart). Caster base shall have one knockout in the center of the base for cable pass-through measuring ___" W x ___" D (refer to chart). Caster base shall raise total rack height ___" (refer to chart). Caster base shall be

finished in a durable textured black powder coat. Caster base shall be warranted to be free from defects in material or workmanship under normal use and conditions for a period of 7 years.

BS Inner Platform Base

Inner platform base shall be Middle Atlantic Products model # BS-___-___ to accommodate ___ Series ___" depth racks (refer to chart). Caster base shall be constructed of 11-gauge steel. Caster base shall be ___" H x ___" W x ___" D (refer to chart). Caster base shall have one knockout in the center of the base for cable pass-through measuring ___" W x ___" D (refer to chart). Caster base shall raise total rack height ___". Caster base shall be finished in a durable textured black powder coat. Caster base shall be warranted to be free from defects in material or workmanship under normal use and conditions for the lifetime of the product.
