CENTRAL CLEANING SYSTEMS

Turbine Brush

Small, hand-held turbine brush is convenient for cleaning all those tight places – can be used with wand or fits directly onto hose end. It's great for upholstery, stairs and around furniture. Its compact size makes it ideal for cleaning car interiors.

FEATURES:

- Compact size
- Double-V-shaped nylon roller brush for maximum cleaning efficiency
- Covered belt
- Hinged opening allows easy access for cleaning turbine
- Swivel elbow
- Movable suction opening
- Durable, black ABS housing
- One Year Warranty
