

# DS2 product information sheet

The WorkSpace Series desktop mounts are specifically designed with today's business professionals and students in mind. These space-saving mounts have simple, compact designs and offer maximum functionality — ideal for the home or office. The DS2 is a dual-LCD desk stand that increases productivity by allowing you to easily view two screens at once while conserving desk space.

## Product Benefits

- View multiple LCDs simultaneously with patented Paraview Technology
- Position your LCDs for maximum comfort and productivity
- LCD height can be adjusted on pole
- Screens can be rotated 360° for portrait or landscape viewing
- Low-profile base saves desk space
- Durable aluminum and steel construction creates extremely stable platform
- Cable management system organizes and routes cables
- Easy to assemble
- Includes complete hardware kit
