## WEATHER-PROOF BULLET IR CAMERA

EDGE-BISR / EDGE-BISR-P

### Features:

- ❖ 1/3" Sony super HAD CCD
- ❖ 540TV Lines
- ❖ DC 12V - power
- ❖ 4 mm Fixed Lens
- ❖ 24 IR LEDs
- ❖ Built-in OSD
- ❖ CDS OFF 0.1 Lux / CDS ON 0.0002 Lux
- ❖ Motion Detection

| SPECIFICATIONS           | EDGE-BISR(NTSC) / EDGE-BISR-P(PAL)                                             |
|--------------------------|--------------------------------------------------------------------------------|
| Sensor                   | 1/3" Sony Super HAD CCD                                                        |
| Total Pixels             | NTSC=811(H)x508(V) / PAL=795(H)x595(V)                                         |
| Effective Pixels         | NTSC=768(H)x494(V) / PAL=752(H)x582(V)                                         |
| Scanning System          | 2:1 Interlace                                                                  |
| Synchronization          | Internal                                                                       |
| O.S.D.                   | Built-in                                                                       |
| S/N Ratio                | More than 50dB                                                                 |
| Gamma Characteristic     | r=0.45                                                                         |
| Resolution               | 540 TV Lines                                                                   |
| Min. Illumination        | CDS OFF 0.1 Lux / CDS ON 0.0002 Lux                                            |
| Lens                     | 4mm Fixed Board Lens (8/12mm)-Option                                           |
| White Balance            | ATW/AWB/FIXED/MANUAL                                                           |
| Electronic Shutter Speed | NTSC=Auto/Manual(1/60sec~1/120,000sec) / PAL=Auto/Manual(1/50sec~1/120,000sec) |
| Video Output             | CVBS : 1.0Vp-p 75ohm                                                           |
| BLC                      | On / Off                                                                       |
| AGC                      | On / Off                                                                       |
| Day&Night(Color / B/W)   | Color / Auto / B/W                                                             |
| Display Adjust           | Contrast / Sharpness / CB-Gain / CR-Gain                                       |
| Privacy                  | On / Off (4 Programmable Zone)                                                 |
| Power Supply             | DC 12V                                                                         |
| Power Consumption        | CDS ON:350mA Max                                                               |
| Operating Temp./Humid    | -28°C ~ +50°C / -18°F ~ +122°F, RH 95% Max.                                    |
| Storage Temp./Humid..    | -20°C ~ +60°C / -4°F ~ +140°F RH 95% Max                                       |
| Dimension                | 63(W) x 58(H) x 130(D)                                                         |
| Weight                   | 800g                                                                           |
