ETP-100EB – Flush Mounting Emergency Phone

Description
The **ETP-100EB** is an indoor, ADA-compliant hands-free Emergency Phone for use in locations such as: elevators, areas of rescue, stairwells, indoor controlled-access areas, senior citizen housing and correctional facilities.

Features
- Cast metal raised letter and Braille signage for ADA compliance
- Vandal resistant stainless steel faceplate and metal button
- Uses regular phone lines or PBX
- Phone line powered: no power supply or battery back-up needed
- Push button once to call, then speak hands-free
- LED indicator for hearing impaired
- Built-in auto-dialer can dial two numbers: if first number doesn't answer or is busy, dials second number
- Auto-answer allows security to monitor and initiate calls with Emergency Phone
- Options available that offer the ability to automatically identify attendant of location of calling phone by recorded message and digital display

"On Time":	Programmable from 1-4270 minutes in 1-minute increments
Wiring Requirements:	1 twisted-shielded pair

Options & Accessories

Voice Location Identifier:	Model **ETP-100EBV** includes the capability to record a message identifying the location of the call. Message is recorded and duration set during programming.
Auxiliary Input/Outputs:	Add "**AUX**" to model number. Input allows unit to be activated by any device that creates a contact closure. Two outputs can activate a strobe or light as well as remotely control a door, CCTV or other device.
Mounting Sleeve:	Use Model **MS-400** to mount flush into wall or **ETP-SM** to surface mount to the wall.
8-Line Consolidator:	Model **EC-8** allows connection of up to 8 phones on one phone line while retaining ability to call each phone individually. Can also create a closed system without need for any phone lines.
Scream Detector:	Scream Alert™, model **SA-1,** automatically activates phone upon hearing a scream (requires **AUX** option).
Monitoring/Diagnostic Software Package:	Talk-A-Lert®, model **ETP-TAL,** automatically polls each Emergency Phone, reports incoming calls and keeps permanent records of all events.
