ETP-401P – Swimming Pool Emergency Phone

Description
Model **ETP-401P** is a waterproof, ADA-compliant hands-free Emergency Phone specially designed for swimming pools.

Features
- Complies with code for swimming pools and ADA
- Waterproof and chlorine resistant
- Vandal resistant stainless steel faceplate and metal button
- Uses regular phone lines or PBX
- Phone line powered: no power supply or battery back-up needed
- Push button once to call, then speak hands-free
- LED indicator for hearing impaired
- Built-in auto-dialer can dial two numbers: if first number doesn't answer or is busy, dials second number
- Auto-answer allows security to monitor and initiate calls with Emergency Phone
- Can automatically identify attendant of location of calling phone by digital display
