## Elements 403FP

The Core Collection is OmniMount's tried and true furniture collection made up of multiple series of steel and glass A/V furniture. With clean lines, black glass and various high-gloss finishes, these pieces blend seamlessly into any environment. The Elements Series reinvents A/V furniture with interchangeable color options and an adaptable approach to displaying flat panels and components. Ideal for A/V enthusiasts looking for extreme décor flexibility, the Elements 403FP can display medium to large flat panels in three different configurations and comes with four interchangeable color panel options.

	High gloss black
	Cherry
	Brushed stainless steel
	Walnut

With four interchangeable color inserts, the Elements 403FP can change its look to fit into any décor.

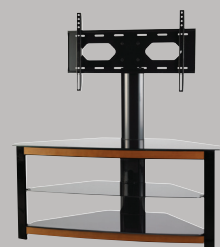

### BENEFITS

- Uniquely designed to be used as a flat panel floor stand, or separate video table and mount
- Includes interchangeable inserts for four color options (High gloss black, Cherry, Brushed stainless steel, Walnut)
- Ideal for corners or flat against a wall
- Pans 30° left and right to adjust viewing angle (when used as flat panel floor stand)
- Low 1.5" mounting profile (when used as separate wall mount)
- Includes universal adapter for greater panel compatibility
- Lift n Lock™ allows you to easily attach your flat panel to the mount
- Open area shelves accommodate multiple components
- Neatly route and organize wires through cable management post
- Locking system secures panel to mount
- Plastic feet protect floors
- Easy to assemble

### SPECIFICATIONS

- Accommodates most 32" - 47" flat panels up to 110 lbs (50 kg)
- 8 mm tempered glass top shelf supports up to 110 lbs (50 kg)
- Two 6 mm tempered glass component shelves supports up to 50 lbs (22.7 kg)
- Universal and VESA compliant: 100x100 to 400x600
- Dimensions: 40"w x 52.8"h x 20"d (1016mm x 1341mm x 508mm)
- Warranty: 5 years
- Color: Black with black glass
