FB-1301 (A)

Corner board camera housing

Triangular corner housing for small rooms, elevators, closets, etc.

This very compact, triangular, all aluminum, tamperproof board camera housing is easy to install in any corner against the ceiling. It has a 3/16" polycarbonate window, an adjustable camera bracket, and comes with the required mounting hardware. The front cover plate is attached to the mounting bracket using a tamperproof security T-bolt. Available in two finishes: Natural aluminum (FB-1301A) and white polyurethane (FB-1301).

Fabrication:

Body: All aluminum, gauge 8, #3003-H14 alloy
Window: 3/16" clear polycarbonate
Cover: Removable, locked by a tamperproof with retainer
Finish: White polyurethane coating
Weight: 0.75 lb (0.33 kg)

External dimensions:

Height: 6.0" (155 mm)
Width: 8.0" (205 mm)
Camera: 1.25" X 1.25" (32 x 32 mm) maximum size

Options:

FB-1301: Corner mounting board camera housing with a white polycarbonate finish
FB-1301A: Corner mounting board camera housing aluminum finish

The adjustable camera bracket is mounted in the corner. The front plate attaches to bracket.
