

## FB-13P1 Corner mounted housing

### This housing is specially designed for wall to wall coverage in the room

Lightweight, and also tamperproof, this corner housing is, as with other Batko housings, all aluminum made. Its cover, fully removable for complete camera access, is locked by 2 security T-bolts with retainer. The camera mounting bracket is hinged and adjustable 0-45° to allow when required vertical surveillance under the enclosure. The window is 3/16" polycarbonate. Requires 4 screws for a fast and easy installation on any surface.

#### Fabrication :

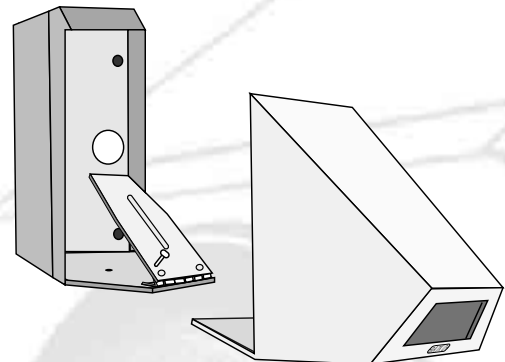

Body : All aluminum, gauge 11,  
alloy # 3105H14  
Window : 3/16" clear polycarbonate  
Cover : Removable, locked by 2 security  
T-bolts with retainer
