

FPS-1000

Pull-out Swivel Wall Mount

For 26" to 60" Flat Panel Displays

The FPS-1000 Pull-out Swivel Wall Mount combines the best features of a wall mount and a pivot arm in one. This mount is essential for on the wall, low-profile, single or multi-panel video wall installations or hospitality recessed applications. It comes standard with VESA® 100/200mm compliant mounting hole pattern and is compatible with Peerless-AV PLP adapter technology to accommodate virtually any flat panel display. Installation and maintenance is made easy with 4" (101.6mm) of horizontal on the wall shift, LockKey™ safety feature and easy access to the back of the display for maintenance. Functionality, great looks and display compatibility options combined with versatile installation features make the FPS-1000 the ideal solution for any single or multi-display installation.

TV size: 26"-60" (66-152cm)

Max load: 150lb (68kg)

FEATURES

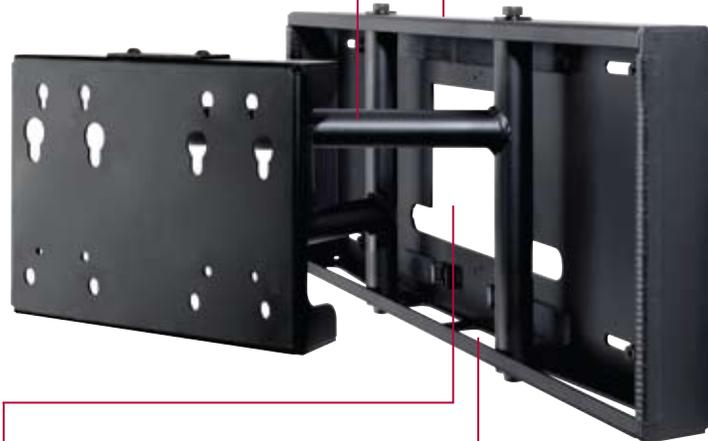

- Built-in swivel up to 90° (45° each direction) allows for adjustable viewing angles
- Easy pull-out swivel provides quick maintenance access
- Built in adapter plate supports VESA® 100 x 100 and 200 x 100mm compatibility
- Works with Peerless-AV dedicated and universal PLP mounting adapter plates
- 2.18" (55.37mm) deep when closed, swivel arms extend to 10.52" (267.21mm)
- Ideal for wall mount applications and attachment to false backsplashes
- Roll can be adjusted 1° clockwise or counterclockwise
- Clean profile design hides wiring and mount within enclosed wall plate
- Includes security lock out screw to eliminate pull out ability
- Security screws prevent tampering and theft
- Mounts on 1/6" (406.4mm) studs, with up to 4" (101.6mm) of horizontal shift

OPTIMUM VIEWING ANGLE
