IH200N / IH200NT Series Desk Cabinets

SPECIFICATIONS

The IH203N (or IH203NT) is a desk cabinet or surface housing for up to three (3) Alpha Communications® 4" wide NC200N series aluminum panel modules. It is veneer covered wood construction, with wooden sides. The IH200N Series is also available in larger sizes. See chart below for reference.

APPLICATIONS

Primary designed for the NC200N series master nurse-call station. Compact modular design for desktop mounting. May be used for other applications where a compact desk cabinet is desired.

CONFIGURATIONS/MODELS AVAILABLE**

<u>Model#</u>	<u># of Modules</u>	<u>Height</u>	<u>Width</u>	<u>Depth*</u>
IH203N	3	4.25"	13.50"	11.75"
IH204N	4	4.25"	17.50"	11.75"
IH205N	5	4.25"	21.50"	11.75"
IH206N	6	4.25"	25.50"	11.75"

*Depth indicates size from front to back of desk cabinet, when placed on a counter top.

Add the Suffix "T" to any of the model numbers shown above when using with **TA200N privacy handset for the coiled cable and side mount cradle.
