Model #: P503-050

50-ft. Easy Pull All-in-One SVGA/VGA Monitor Cable with Connectors, (HD15 M/M)

Highlights

- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection

Description

Tripp Lite's 50 ft. SVGA/VGA Easy Pull Monitor Cable with Connectors makes running long length video cables a snap. The pull-apart design allows the cable to be run through conduit or other tight areas that a HD15 connector wouldn't fit through. Diameter of the circular DIN end is only 7/8". Circular Easy Pull connector is threaded to ensure maximum security once the cable is re-attached. The mini-coax (RGB) and paired video wire construction delivers superior signal quality. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both high density DB15 males are molded and have integral strain relief to ensure they last a long time.

Applications

- Suspended ceilings, walls, conduit or anywhere too small to pull a standard HD15 cable through.

Package Includes

- 50 ft. Male/Male Easy Pull SVGA/VGA Monitor Cable w/ Connectors

Features

- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection
- RGB 75-ohm coax construction for maximum video resolution
- HD15 male to HD15 male molded connectors
- Supports resolutions up to 1600 x 1200
