Model #: P568-050-EZ

50-ft. Easy Pull All-in-One High Speed HDMI Digital Video Cable (HDMI M/M)

Highlights

- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection
- Requires B122-000, B123-001 or P166-001-A to boost signal
- High Speed HDMI v1.3 and HDCP compliant

Description

Tripp Lite's 50 ft. High Speed HDMI Easy Pull Monitor Cable w/ Connectors makes running long length video cables a snap. The pull-apart design allows the cable to be run through conduit or other tight areas that a HDMI connector wouldn't fit through. Diameter of the circular DIN end is only 7/8". Circular Easy Pull connector is threaded to ensure maximum security once the cable is reattached. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both HDMI male ends are molded and have integral strain relief to provide long life. To ensure maximum signal strength with 50 ft. and 100 ft. HDMI cables, use one of these HDMI signal boosters: [B122-000](#), [B123-001](#), or [P166-001-A](#). UL20276 Digital Video Cable supports 1080p.

Applications

- Suspended ceilings, walls, conduit or anywhere too small to pull a standard HDMI cable through.

Package Includes

- 50 ft. Male/Male Easy Pull High Speed HDMI Monitor Cable w/ Connectors
- Requires B122-000, B123-001 or P166-001-A to boost signal (not included)
