50-ft. High Speed v1.3 HDMI Digital Video Gold Cable (HDMI M/M)

Highlights

- Double Shielded Digital Video Cable
- Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter
- Gold-plated connectors provide low-loss
- Bandwidth up to 10.2Gbps - Full 1080p Resolution
- High Speed HDMI v1.3 and HDCP compliant

Description

Tripp Lite's 50ft High Speed v1.3 HDMI - HDMI (High Definition Multimedia Interface) cable allows interconnection between digital display devices, such as DTV's (Digital Television), Plasma displays, LCD TV's, and projectors, to Digital source devices, such as Digital Set-Top boxes, DVD/DVD-R players, and AV receivers. HDMI assures that the best video signal is always sent from source (HDTV signal, DVD Player.) to the display (Projection Television or Plasma). Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter. It does this by allowing uncompressed video and multi-channel audio data to be input to the display device through one single cable. The need for multiple analog connections for high-resolution audio and video are eliminated. Without a HDMI connection, one would need 3 video connections for high definition video and 6 audio connections for high-resolution audio. An HDMI connection allows input at high rates of speed, up to 5 Gbps. This leaves a lot of spare capacity for future applications; for example, a current uncompressed HD movie "only" requires 2.2 Gbps for both video and multi-channel audio. Please Note: HDMI cables are rated for 5 meter/16ft lengths only. Be sure to use Tripp Lite HDMI Signal Booster, B122-000, with this cable, for maximum signal integrity

Package Includes

- 50-ft High Speed v1.3 HDMI to HDMI Gold Digital Video Cable - HDMI-M/HDMI-M

Features

- Creates a pure digital connection between HDMI-enabled HDTV display devices and HDMI-enabled digital video sources
- Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter
- Gold-plated connectors provide optimal signal transfer
- Bandwidth up to 10.2Gbps - Full 1080p Resolution
- Premium Double-Shielded HDMI compliant cable protects against outside noise (EMI/RFI)
- Impedance matched twisted pair construction reduces cross-talk and interference
- Available Signal Booster - Tripp Lite B122-000

Specifications

OVERVIEW	
Intended Application	Home Theater/AV
Display Style	Direct Connect
Model Type	HDMI
INPUT	
Cable Length (ft.)	50

Cable Length (m)	15.24
PHYSICAL	
Color	Black
Style	HDMI
CONNECTIONS	
Connector A	 HDMI (MALE)
Connector B	 HDMI (MALE)
Number of Connectors	2
WARRANTY	
Product Warranty Period (Worldwide)	Lifetime limited warranty
