

RMK-200

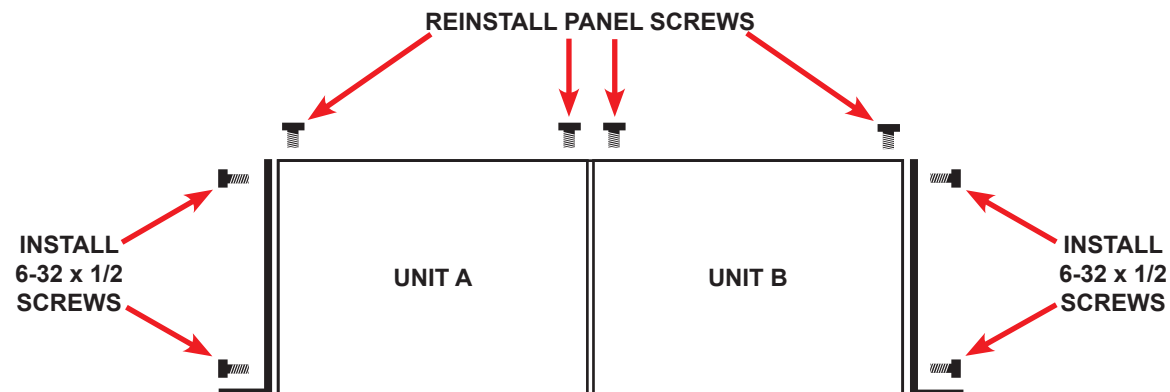

2 UNIT RACK MOUNT KIT

KEY FEATURES:

- Compact size (1 Rack Unit High)
- Industrial grade specifications
- For use with DSP products
- Made in USA

The RMK-200 holds up to 2 DSP products and is one rack unit high. If you are only mounting a single chassis in the unit it comes with a blank panel to close up the unused side of the rack mount for a professional look.
