

ViewSonic® VE710s/VE710b LCD Display

17" E²® SERIES ENHANCED VALUE LCD DISPLAYS

Exhilarating color, elegant design.

The ViewSonic VE710s and VE710b 17" LCDs add a splash of style to your office desktop. Delivering an impressive array of features, these LCDs enhance your productivity while staying within your budget. The ultra-slim 2.2" panel is wall mountable, allowing you to **MAKE THE MOST OF LIMITED DESKTOP REAL ESTATE**. You'll enjoy brilliant colors with the high 300 nits of brightness (typ), 450:1 contrast ratio (typ) and 1280x1024 native resolution. **WORK COMFORTABLY FOR HOURS** thanks to the anti-glare screen and fast 16ms video response time that provides razor-sharp graphics and smooth motion video.

These LCDs are the stylish, affordable upgrade for your office.

Award-Winning Company

ViewSonic is the #1 best-selling monitor brand in the USA, delivering price and performance leadership.*

Attractive styling at an attractive price.

Full 17" viewable screen

Displays a full, flat 17" viewable area with crisp detail and fully saturated color.

1280x1024 native resolution

Incredible image detail for sharp text and graphics.

High brightness and contrast

300-nit brightness (typ) and 450:1 contrast ratio (typ) for rich, detailed images.

Stylish slim-bezel design

An ultra-thin bezel lets you see more without taking up valuable desktop real estate.

OSD/power lock secures your settings

Prevents changes to monitor settings and maintains an optimized image.

OnView® controls for superior screen adjustability

Screen adjustments are precisely made via an easy-to-use on-screen menu.

Super-fast 16ms video response delivers superior picture clarity

Integrated power supply

ViewSonic Wizard included

User-friendly Wizard software automates the setup process to deliver optimized screen performance.

Flat-folding base for easy wall mounting

PC and Mac® compatible

TCO'99 and ENERGY certified

Create a Total Desktop Solution
Add ViewMate® Collection accessories to your display for a complete desktop solution. Choose stylish mice and wireless keyboards, or turn that display into a TV with a TV/video processor.
