Verona 37FP shown

Verona 47FP

The Core Collection is OmniMount's tried and true furniture collection made up of several different series of steel and glass A/V furniture. With clean lines, black glass and various high-gloss finishes, these pieces blend seamlessly into any environment. Semi-enclosed structure, curved edges and a streamlined design combine with all-in-one functionality to make the Verona Series the perfect functional and elegant addition to any environment. Engineered with extra height to provide comfortable viewing angles in any room, including bedrooms, the Verona 47FP's all-in-one design is ideal for medium flat panel TVs, offering you functionality while fitting in to any decor.

The Verona 47FP can be used as a flat panel floor stand, or the mount and table can be separated to use individually.

BENEFITS

- Uniquely designed to be used as a flat panel floor stand, or separate video table and mount
- Rails can attach in two places, giving you a choice in vertical positioning
- Ideal for corners or flat against a wall
