

240.0 WB-SM technical data sheet

Dedicated to being a one-stop shop for professional products, OmniMount remains on the cutting edge of product innovation. That's why we're the natural choice for any professional, industrial, or commercial application. The WB series mounts are designed to support enclosures of limited strength as a bottom mount, or virtually invisible mount when mounted to the top of an enclosure. Providing a wide range of vertical and horizontal movement, the 240.0 WB assures the necessary coverage while supporting enclosures of limited strength.

Product Specifications

Fits most: Bookshelf speakers

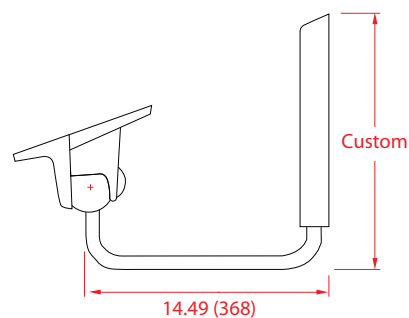

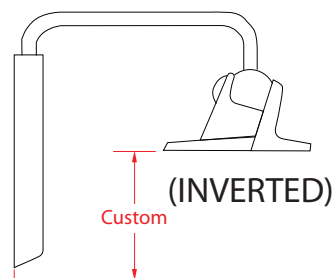

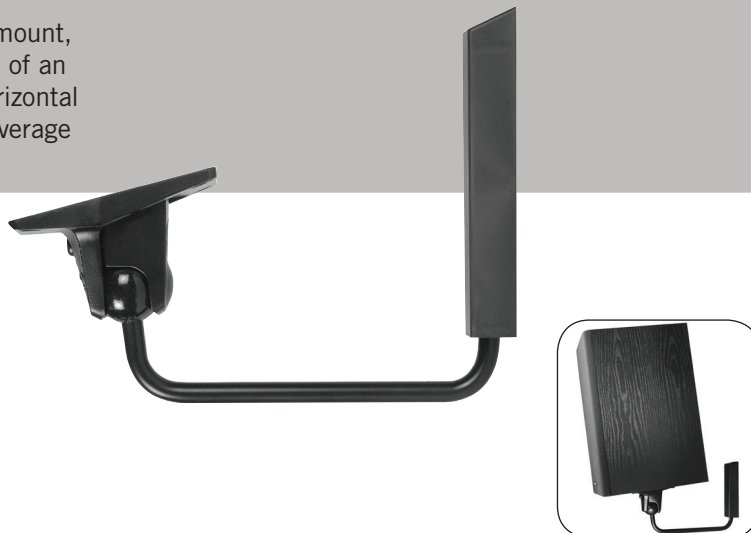

Supports up to: 240 lbs (107.1 kg)

Pan: 180°

Color: Black and White

Product Benefits:

- Polymer-injected ball controls resonance frequencies for better sound
