

## LTC 9312/00, LTC 9412/00

### Fixed Camera Observation Domes

**Security Systems**

- 300mm (12in.) Dome
- 360° Adjustable Viewing Direction
- Suspended Ceiling & Pendant Models
- Covert Inner Liner Conceals Camera Position
- Multiple Camera Capacity with Accessories
- Includes Adjustable Swivel Camera Mount
- Suitable for Color & Monochrome Cameras

The Bosch LTC 9312/00 and LTC 9412/00 are indoor, discreet, domed housings designed for fixed cameras. The LTC 9312/00 is a flush-mounted dome, for use in a suspended ceiling. The LTC 9412/00 is a pendant-mounted dome, which can be suspended using 1/2in. conduit or equivalent tubing.

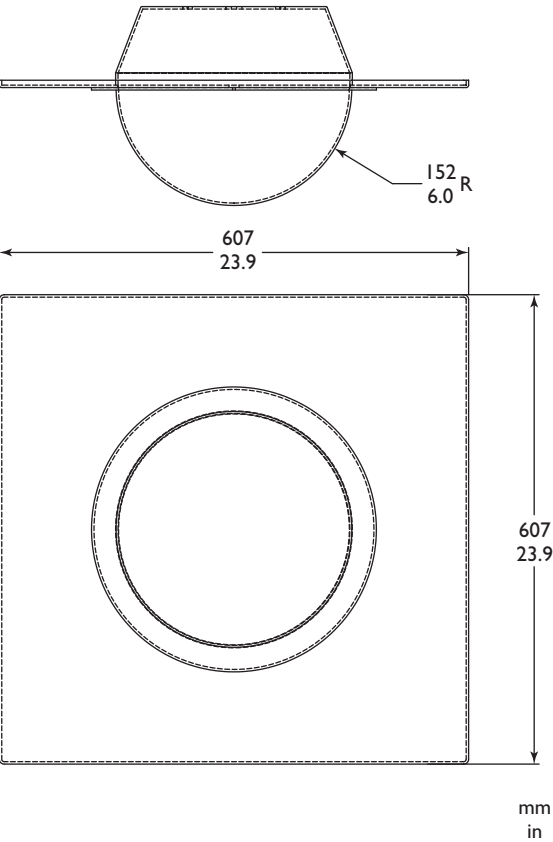

The domes allow 360° viewing, enabling the fixed camera to be mounted at any angle using the adjustable swivel

head. These units include a covert inner liner which hides the camera, thus concealing its position.

Additionally, both the LTC 9312/00 and LTC 9412/00 can accommodate up to 2 cameras, providing additional viewing capabilities. These domes will accept 1/4in., 1/3in., and 1/2in. format CCD monochrome and color cameras.

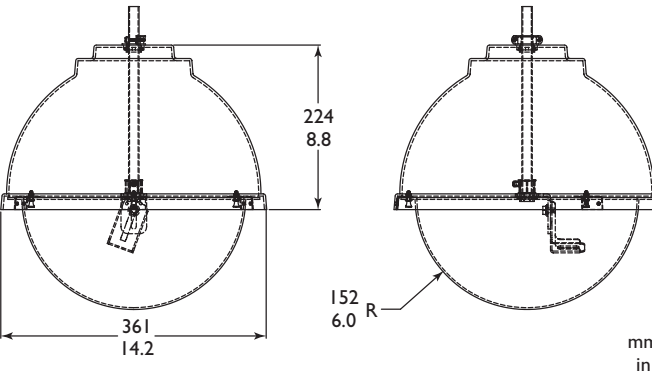

Model	
LTC 9312/00 Flush Mount
