

Antenna - 1.2 GHz

YAGI-1210

Manufactured from the highest quality materials to ensure superior electrical performance, mechanical durability and longevity from the harsh elements of weather. Meet your application demands by choosing this antenna to increase your signal strength and improve video quality.

ADVANTAGES

- Ideal for permanent long range, outdoor equipment mounted applications
- "Plug & Play" and ready to install
- **Improve video quality and signal strength**
- Dramatically increase transmission range
- Low Profile Design
- All-Weather construction
- Two Year Limited Warranty

SPECIFICATIONS

YAGI-1210

Frequency Range	1.080 – 1.2 GHz
Antenna Gain	10 dBi
VSWR (Return Loss)	<1.5:1
Polarization	Vertical - Linear
Impedance	50 Ohms
Antenna Input Connector	N - Female
Construction	All Weather – Aluminum
Wind Loading Rating	100 MPH
Dimensions	34" x 6.5"
Weight	800g or 28.2 oz
Mounting Brackets	Included – Pole Mount
Includes	6 ft. x 0.5" Low loss Microwave Cable – TNC-Male / N-Male
