- › Convenient top lid compartment holds manuals, references and guides
- › Unconditional Lifetime Warranty

TECHNICAL DATA

Dimensions: Height: 16.5"/419.1mm,
Width: 15"/381mm, Depth: 8.5"/215.9mm

Weight: 9.2lbs/4.17kg

ADA124 PROTECTIVE CASE for MVP Pro and T-Code Pro

For just a fraction of the cost of the equipment, protect your investment with one of the most durable cases on the market. The ADA124 is a hard case with a custom molded interior designed to hold the MVP Pro or T-Code Pro and accessories.

The ADA124 case design exceeds stringent military requirements of MIL-C 4150J.

An O-ring Gasket around the bottom lid of each case insures protection against dust and water. The state-of-the-art pressure equalization valve compensates for the pressure inside the case caused by change of altitude, temperature changes, and high impact.

Each case comes with an *Unconditional Lifetime Warranty*. In the rare occurrence you experience damage to your case, contact us, and we will replace or repair the case.

Storage Compartment
Conveniently houses manuals, guides, etc

O-Ring Gasket
Protects against the elements

Custom Molded Interior
Cradles the contents

Pressure Equalization Valve
Compensates for pressure changes
